IU Energy Challenge
RA Activity Guide

- throw a floor competition
- have residents sign the EC pledge or another commitment, and then post it on your floor
- bring in a speaker or have a discussion session
- have an open mic night
- throw a party using as little lighting and electricity as possible

show a film - email sustain@indiana.edu to check one out from the Office of Sustainability library:

Kilowatt Ours – Jeff Barrie
An Inconvenient Truth
Gas Land: Can You Light Your Water on Fire?
Blue Vinyl: The World's First Toxic Comedy
